

THE POSTURE CARE CHAIR  
C O M P A N Y  
*The best seat in the house*

# Choose your Functionality and Accessory Options

Your chair can be designed and built fully customisable to your body's needs, comfort requirements and personal style (POA). Below is a list of our most popular customisable options.

## Motorised Functionality Options

- Manual
- Single motor - Lifts, reclines and operates backrest and footpad simultaneously
- Double motor - Lifts, reclines and operates backrest and footpad individually
- Triple motor (Medi-lift) - Our patented recline and tilt mechanism that lifts, reclines and elevates your legs above the heart
- Massage and heat system with 3 heat placement positions of your choice
- Electric adjustable neck support
- Electric adjustable lumbar support
- Electric adjustable ankle support
- Lithium battery
- Power Control Centre – Posture Care Chair Company's designed power box built into chair to operate all motors, only requiring one cord to plug into the wall

## Seating Comfort Options

- Weight rated medial seat foam
- Weight rated pocket coil springs
- Gel laminated medical memory foam for even heat distribution
- Soft/Medium/Firm in various densities of foam

## Accessory Options

- Choice of hand held controls
- Side button control
- Touch sensitive control
- USB charger
- Fabric
- Leather
- 4-way waterproof stretch fabric
- Nursing home castors/pushrail
- Incontinence pad
- Light
- Table
- Arm covers
- Magazine pocket
- TV remote pocket

If there is something that isn't on this list, we will work hard at finding the solution you are looking for. Exclusions apply.
